ORDER

THIS MATTER is before the Court on Defendant Consumeraffairs.com's Motion to Dismiss or Strike Amended Complaint. Having reviewed the parties' submissions, the Court holds that the allegations contained in the Amended Complaint to not sufficiently set forth a claim asserting that Defendant authored the content at issue. Furthermore, the allegations are insufficient to take this matter outside of the protection of the Communications Decency Act. Therefore for the aforementioned reasons and the reasons stated in Defendant's Brief in Support of Motion to Dismiss or Strike Amended Complaint it is hereby

ORDERED that Defendant Consumeraffairs.com's Motion to Dismiss or Strike Amended Complaint is GRANTED.

The Clerk is directed to forward a copy of this Order to counsel.

Entered this 11th day of September, 2008.

On September 11, 2001, the World Trade Center in New York City was attacked by two hijacked commercial airplanes. The attacks resulted in the deaths of nearly 3,000 people and caused billions of dollars in damage. The September 11 attacks are among the most devastating acts of terrorism in the history of the United States. The attacks have had a profound impact on the lives of Americans and on the world as a whole. The September 11 attacks have also had a significant impact on the legal system. The attacks have led to the passage of the USA PATRIOT Act, which has expanded the powers of law enforcement agencies to investigate and prosecute terrorism. The attacks have also led to the creation of the Department of Homeland Security, which is responsible for protecting the United States from terrorism. The September 11 attacks have also led to the creation of the Federal Bureau of Investigation's Counterterrorism Division, which is responsible for investigating and prosecuting terrorism. The September 11 attacks have also led to the creation of the National Security Agency's Office of Special Operations, which is responsible for conducting special operations against terrorism. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Policy Group, which is responsible for developing and implementing counterterrorism policy. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Working Group, which is responsible for coordinating counterterrorism efforts across the government. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Task Force, which is responsible for conducting research and analysis on terrorism. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Advisory Group, which is responsible for providing advice and guidance to the President on counterterrorism matters. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Liaison Group, which is responsible for coordinating counterterrorism efforts between the United States and other countries. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Information Group, which is responsible for collecting and analyzing information on terrorism. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Planning Group, which is responsible for developing and implementing counterterrorism plans. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Operations Group, which is responsible for conducting counterterrorism operations. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Support Group, which is responsible for providing support to counterterrorism efforts. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Training Group, which is responsible for providing training to law enforcement agencies and other personnel involved in counterterrorism efforts. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Research Group, which is responsible for conducting research on terrorism. The September 11 attacks have also led to the creation of the National Security Council's Counterterrorism Policy Group, which is responsible for developing and implementing counterterrorism policy.
